ANNUAL REPORT

Report on the Administration of the Access to Information Act for the period 2023-04-01 to 2024-03-31

1. Introduction

The St. John's Port Authority (SJPA) was established pursuant to the *Canada Marine Act* (CMA), which received Royal Assent on May 1, 1999. The CMA repealed the Canada Ports Corporation Act of 1983.

The SJPA's mission is to provide consistently valuable, innovative and efficient port services that foster trade, regional growth, and provincial success.

The Access to Information Act (ATIA) provides Canadian citizens, permanent residents, and individuals and corporations present in Canada a right to access records under the control of government institutions, in accordance with the principles that government information should be available to the public, that necessary exceptions to the right of access should be limited and specific, and that decisions on the disclosure of government information should be reviewed independently of government.

This report is prepared in accordance with section 94 of the *Access to Information Act* and the annual reports are prepared and tabled in Parliament in accordance with section 94 of the *Act* and section 20 of the *Service Fees Act*.

This report covers the fiscal year 2023-04-01 to 2024-03-31.

2. Structure of the Access to Information Office

The responsibility for processing requests received under the *Access to Information Act*, as well as responsibility for ensuring that each proactive publication requirement is met, *rests* with the President and Chief Executive Officer, who ensures compliance with the legislation.

Administration of the *Access to Information Act*: The staff complement at the SJPA is 13. The President and CEO is the Access to Information Coordinator. The Vice President, Finance & Administration is the Authorizing Representative. The Executive Assistant is an Officer. Procedures for handling Access to Information requests, as well as proactive publications, are well known throughout our institution.

3. **Delegation Order**

The Access to Information Coordinator is Mr. Sean Hanrahan, President and Chief Executive Officer, who is the head of our institution. There has been no further delegation by the President and CEO setting out the powers, duties and functions for the administration of the *Access to Information Act*. The President and CEO ensures that any requests are processed in accordance with the provisions of the Act.

4. Performance 2023-2024

The SJPA received two requests during the 2023-2024 fiscal year.

There was consultation with the Office of the Information Commissioner of Canada on one outstanding request from the 2021-22 reporting period.

There are two outstanding requests or active complaints from a previous reporting period.

SJPA's "Statistical Report on the *Access to Information Act*", which provides statistical data on requests received by the SJPA during the current reporting period, is attached.

In the past thirteen years, a total of eleven requests have been received, averaging less than 1 request per year. All completed requests were finalized in under 30 days, not costing more than \$250.00 each. Previous exemptions invoked; s.20(1)(b),(c) on the 2010 & 2011 requests; s.20(1)(b) on the 2013; s.21(1)(a),(b) on the 2011 request; s.17 and s.20(1) on the 2021 requests and s.18(b) on the 2010 request. Given the limited number of Access to Information requests received at the SJPA, no identifiable trends have been established.

5. Training and Awareness

During the 2023-2024 reporting period, SJPA's Access to Information staff participated in: APCDO Info Blitz on ATIP Statistical Reports 2022-23 for Small Institutions on May 18, 2023; APCDO Info Blitz on ATIP Annual Reports 2022-2023 on May 24, 2023; Privacy Impact Assessments (PIA 101) on June 20, 2023; ATIP Deep Dive Series ATIA s. 19 and Privacy Act s. 26 – Personal Information on September 25, 2023; Invitation to the New ATIP Professionals Onboarding Session on November 22, 2023; and, participated in Info Blitz session on the new standard for managing metadata on March 7, 2024.

6. Policies, Guidelines, Procedures, and Initiatives

The SJPA posts all requests, and monthly summaries of same, through the Open Government portal. For reference, a link to the portal summaries of Access to Information requests can be found here: Completed Access to Information Requests |

Open Government - Government of Canada

The SJPA did not implement any new or revised institution-specific policies, guidelines and procedures related to access to information during the reporting period.

7. Proactive Publication under Part 2 of the ATIA

The SJPA is a Government Business Enterprise and proactively discloses travel and hospitality expenses on a monthly basis. In addition, reports tabled in Parliament are proactively disclosed as required. For reference, reports can be found on our website, at this address: https://sipa-apsj.com/port-authority/information-reports/.

8. Initiatives and Projects to Improve Access to Information

There were no initiatives or projects undertaken in this reporting period. Given the low number of requests, SJPA continually evaluates opportunities to improve efficiencies in ATIA processes as requests arise.

9. Summary of Key Issues and Actions Taken on Complaints

There were no access to information complaints received by the SJPA during the reporting period, therefore there were no key issues raised or actions taken.

10. Reporting on Access to Information fees for the purposes of the Service Fees Act

The Service Fees Act requires a responsible authority to report annually to Parliament on the fees collected by the institution.

With respect to fees collected under the *Access to Information Act*, the information below is reported in accordance with the requirements of section 20 of the *Service Fees Act*.

- The enabling authority is the *Access to Information Act*.
- The \$5.00 application fee is the only fee charged for an ATI request.
- The total fee revenue for the 2023 to 2024 reporting period was \$0.00 (zero dollars).
- Two fees were waived for the 2023 to 2024 reporting period.
- The cost of operating the program for the fiscal year was \$6,500.00.

11. **Monitoring Compliance**

As the SJPA receives very few requests, beyond ensuring that requests are completed in a timely manner in accordance with the *Access to Information Act*, person hours are not logged by a clock-in/out system. Should a request result in a significant workload, staff would be directed to track time spent on the task by logging start and end times. Executive management would be advised, including the President & CEO.
